IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.42896 of 2008
LANGATU YADAV, & MUNNA YADAV
Versus
STATE OF BIHAR
---

2. 18.11.2008 Heard Sri Brij Kishor Mishra, Advocate for the petitioners and the learned A.P.P. for the State.

The allegation is that the two petitioners after tying the hands of the deceased on his back assaulted with lathi and danda so much so as to rendering him unconscious. The man died subsequently in the hospital and an attempt was made by reading some statements in the case diary by the learned counsel for the petitioner to indicate that there was some variance in the initial prosecution story and that which is told by the witnesses. But, after being taken through the statements, I do not find any basic difference in the prosecution story that these two petitioners tied down the hands of the deceased and assaulted him so much so as to killing him.
